## FUSIÓN SMART SRT + WebTV

FUSION SMART SRT + WebTV is a service offered by TodoStreaming, based on "SmarSRT" service servers and "WebTV" service servers. So you can broadcast to both servers and take advantage of the incredible price for both.

### Advantages:

- Access to a real-time stats panel (both services)
- Copy-paste HTML5 web player for all platforms (Windows, Linus, Mac, iOS and Android)
- Our free software for Windows, mobiles and RPi
- 100 Mbps bandwidth. Fixed fee, no surprise.
- Help to get started.
